**A MESSAGE FROM
COACH PETE DOBITZ**

Dickinson Midgets Baseball 2011

The Midgets are looking forward to the snow melting and beginning another Spring Baseball Season. Open Gyms have been well attended since Christmas Break with 15-20 players

almost every time. With a strong upper class of 18-20 players, we are going to be more experienced than people may think. Yes we lost 9 full-time seniors from last year's team, but these upper classmen put in a good summer of learning to play hard and getting better as the summer went along. Coach Dobitz pays attention to the progress of his underclassmen over the summer and continues to work with the Babe Ruth program to develop those players as they come up through the ranks of baseball in Dickinson.

With our full coaching staff returning from last year: Pete Dobitz, Jim Steckler, Andy Tomanek, and Stephen Greenwood the Midgets should not skip a beat on preparing for another successful season. With last season not being as successful as the coaching staff would have liked, we know we have some work to do to get back to playing Midget baseball the way we have in the past. Success does not come easily and the coaches and players are ready to return the Midgets to the top of the Baseball World in North Dakota.

**For the Love of the Game,
Coach Pete Dobitz and the Coaching Staff**

**A MESSAGE FROM
COACH ANDY EMARD**

Players, Parents, and Fans:

It's hard to believe with the weather outside, but the 2011 Legion Baseball season is just around the corner. After finishing a very competitive 2010 season, I am excited to see what is in store for the 2011 Roughriders. This year's squad will be returning all but one player (Caleb Burgard), who is playing for the Dickinson State University Blue Hawks.

The 2010 Roughrider squad displayed an unwavering work ethic throughout the year and their improvements were clearly noticeable by the end of the season. However, this team's preparation for the upcoming season did not end

As I write this it is -10 degrees outside and yet it exciting to realize that soon we will be watching the Midgets spring season. After that, I hope everyone has a great summer down at the ballpark.

**Thank you, Kelly Armstrong
DBC President**

A MESSAGE FROM COACH CORY HANSEN

Its that time again to start another great year of Babe Ruth Baseball. Sign-ups will begin in the spring and we look forward to new and old players returning to the ranks. League games will begin on June 1st and practice will begin indoors at one of the schools for preparation of the upcoming league season.

The International Board of Directors of Babe Ruth League, Inc. has approved a moratorium on the use of composite bats in the Babe Ruth Baseball 13-15 and 16-18 Divisions, effective immediately. The moratorium shall be in effect until further notice by Babe Ruth Headquarters.

All-Stars will begin as well with Pete Dobitz and Michael Steve being the coaches for the 13 year olds and Damien Sobolik and myself coaching the 14's. Look forward to seeing you at sign-ups and getting ready for another grand year of Babe Ruth Baseball.

Cory Hansen, Babe Ruth Coordinator

Spring Babe Ruth Baseball

Due to weather constraints and the lack of teams to play, Dickinson Baseball Club will not be sponsoring a 2011 Spring Babe Ruth league.
